## **Head Coach: Wiley Brown**

Wiley Brown begins his second season as head coach for the men's basketball program at Indiana University Southeast. During his first year at the helm of the men's basketball program, Brown led the Grenadiers to a 24-9 overall season record and an impressive 9-0 undefeated conference record which earned the team a spot in the final NAIA Top-25 Coaches Poll.

Brown also guided his team to both a KIAC regular-season title and a KIAC tournament championship which earned his squad a bid to the NAIA Men's Basketball National Championship in Point Lookout, Mo.

A starting forward on the NCAA Division I National Champion basketball team at the University of Louisville in 1980 and a member of the 1982 Final Four team, Brown previously served in multiple capacities in the University of Louisville athletic department for the past 15 years. Brown served as strength and conditioning coordinator under both former Louisville Hall of

Fame Head Coach Denny Crum and current Louisville Head Coach Rick Pitino for a total of 13 years.

In 2003, Brown served as an interim assistant coach for the Louisville men's basketball program. Beginning in 2005, Brown served Louisville Athletic Director Tom Jurich as the assistant director of outreach and most recently as the director of community enrichment. During that time he managed fundraising efforts for outreach programs throughout greater Louisville and directed the CARDSfit program.

Brown is no stranger to playing at a competitive level. As a player at Louisville, Brown posted career totals of 699 points, 407 rebounds and 121 assists, helping the Cardinals to a combined 101-30 four-year record.

After finishing his successful collegiate basketball playing career, Brown joined the National Football League (NFL) where he played defensive end for two seasons with the Philadelphia Eagles. During his time with the Eagles' organization, Brown played under the direction of Dick Vermeil and Marion Campbell.

After his brief stint in the NFL, Brown returned to basketball. For seven years Brown played professional basketball in the International Federation of Basketball where he traveled throughout the world. Brown spent one year with the CBA Louisville Catbirds and the remaining six years in Spain, France, and Italy.

A native of Sylvester, Ga., Brown kept a promise to his mother by earning his bachelor's degree in 1992 from the University of Louisville. He majored in communications, health education and Pan African studies. He was twice named to the U of L honor roll. He and his wife, Anne-Marie, reside in Louisville and have one son, Caleb.

## Athletic Department Support Staff

### **Pat Mrozowski - Athletic Director**

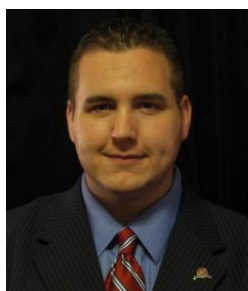

Pat Mrozowski begins his sixth season as the Athletic Director at Indiana University Southeast. Pat is a native of Port Huron, Michigan and was a 1972 graduate of Michigan State University. Upon graduation, Mrozowski moved into the arena of athletics. He started coaching at the high school level, and quickly found that his skills enabled him to become an athletic director. He managed and successfully coached for ten years at various high schools in Michigan and Ohio.

Mrozowski made the transition to the college athletics level a few years later. He started as an assistant football and track coach.

In 1984, Mrozowski left athletics and began a long career in financial aid. In 1999, he assumed duties as the director of financial aid at Indiana University Southeast. Although he cherished the time he spent in financial aid, Mrozowski never lost his enthusiasm for intercollegiate athletics. So when the chance came to become athletic director at IU Southeast, he welcomed the opportunity.

Mrozowski currently resides in Louisville, KY and is married to Meg. He is also an active member of the National Association of Collegiate Directors of Athletics (NACDA).

### **Joe Glover – Assistant Athletic Director / Media Relations**

Joe Glover is beginning his fourth year with the IU Southeast Athletic Department, previously serving as sports information specialist for Grenadier Athletics. Glover joined the athletic department in July of 2005, after working in the sports information department at the University of Louisville.

In his new role, Glover will be responsible for marketing, facility scheduling, and media relations. He will also aid Athletic Director Pat Mrozowski with the overall guidance of the athletic department while taking on additional administrative and personnel management responsibilities.

During his three years as sports information specialist, Glover's redesigns of the Grenadiers' athletic Web site have resulted in web traffic increases of more than 95 percent. He has also served as media coordinator and liaison for multiple Kentucky Intercollegiate Athletic Conference (KIAC) post-season tournaments, including the KIAC Men's and Women's Basketball Championship in 2005.

Now one of the youngest assistant athletic directors in collegiate athletics at age 22, Glover graduated with distinction from IU Southeast in May with a Bachelor of Science in Business. Glover's dedication to academics earned him the honor of being named *Outstanding Marketing Graduate*.

In 2006, Glover earned his Associate of Science in Business Administration from IU Southeast and graduated from New Albany Sr. High School with an Indiana Academic Honors Diploma in 2004. While at New Albany High School, Glover was the football and basketball play-by-play radio voice of the Bulldogs.

A native of New Albany, Glover is an aspiring athletic director with a strong background in athletic marketing and media relations. Glover currently resides in New Albany and is an active member of the College Sports Information Directors of America (CoSIDA) where he serves on the national committee for radio and television. He is also a member of the National Association of Collegiate Directors of Athletics (NACDA) and a conference representative for the National Association of Collegiate Marketing Administrators (NACMA).

## IU Southeast Men's Basketball Season Preview

### Season Outlook

The Grenadiers return ten players and all five starters from last season's team that finished first in the Kentucky Intercollegiate Athletic Conference (KIAC). Wiley Brown will also begin his second season as head coach for the men's basketball program.

During his first year at the helm of the program, Brown led the Grenadiers to a 24-9 overall season record and an impressive 9-0 undefeated conference record which earned the team a spot in the final NAIA Top-25 Coaches Poll. Brown also guided his team to both a KIAC regular-season title and a KIAC tournament championship which earned his squad a bid to the NAIA Men's Basketball National Championship in Point Lookout, Mo.

With a strong nucleus returning, and the addition of some height to the roster, the team once again could be a strong contender to repeat their conference championship, earning another bid to the NAIA Men's Basketball National Championship.

### Returning Players

Key players returning for the Grenadiers this season are 6'3" junior Craig Bryant (12.7 PPG, 4.1 RPG), 6'1" sophomore Jazzmarr Ferguson (11.6 PPG, 4.0 APG), 6'2" junior DeJon Gary (7.0 PPG, 5.5 RPG), 6'1" junior Carlos Mitchell (12.1 PPG, 4.0 RPG), 6'9" junior Charlie Gonzalez (6.7 PPG, 4.8 RPG) and 6'8" junior Jeremy Holland (8.4 PPG, 4.1 RPG).

Other key players who saw considerable playing time last season are 6'2" junior Alex Gravelle, 6'2" sophomore Clay Ryan, 5'10" sophomore Josh Lowery and 6'5" senior Jason Harris.

Bryant, Gary and Mitchell were all named KIAC All-Conference last season for their outstanding play. Bryant was named NAIA All-American Honorable Mention and also earned the respect of the league by being voted KIAC Player of the Year.

Brown believes his returners will continue their hard work started from last season. "One thing I really admire about our guys coming back is that they are always hungry. That hunger combined with their effort and intelligence on the court will make them better prepared this season for the pro-style offensive system we like to run," Brown said.

### Fresh Faces

Coach Brown and his assistant coaching staff feel that they are bringing in another exciting recruiting class this season to compliment the scope of talent returning. IU Southeast welcomes four new faces who will be suiting up this season for the Grenadiers.

## Indiana University Southeast 2008-09 Men's Basketball Prospectus

Newcomers include 6'7" forward James Thompkins (Georgetown College), 6'6" center James Murry (Pleasure Ridge Park High School), 6'2" guard Mike Woodson (Lambuth University) and 6'2" freshman Kevin Slaughter (Georgetown College).

Brown has a good feeling about this incoming class. "Obviously and most notably our newcomers bring some additional height to our roster," said Brown. "Their individual games also progress our style of play and will complement our core very well."

### Keys to Success

Brown would like to see this team be more aggressive and physical in every facet of the game this season. "I want our guys beating out our opponents and playing more physically. We have worked on our conditioning all off-season, and this year it is time we show more on the court," said Brown.

After such a successful season last year the team knows that they need to take their game to the next level, "Last season we had a lot to prove. We can't sit back this year and believe that last year's efforts will provide a similar outcome. We are going to have to play harder to ensure our successes as our opponents are now much familiar with our style of play," said Brown.

With all five starters returning from last season and with a strong supporting cast, IU Southeast should look to be a contender for a repeat KMAC Championship. Coach Brown is optimistic about this year's team, "We have great all-around young men on this team. That makes my job as a coach much easier. I am really looking forward to another successful basketball season."

The Indiana University Southeast office of Sports Information provides complete information and media services regarding the institution's seven intercollegiate sports. The office is responsible for all public and media relations pertaining to athletics, athletic department publications, the athletic department's website, statistical and historical record keeping for all sports and other promotional activities surrounding the athletic department.

A complete description of the services provided by the IU Southeast office of Sports Information follows:

### Media Services and Policies

**Interviews** - All interviews with IU Southeast coaches, student athletes and staff members must be arranged through the office of Sports Information. After games, matches and other athletic events, locker rooms are generally off limits to members of the media. Player and coach interviews, however, may be conducted outside locker room entrances or on the playing surface after a minimal, 10-minute cooling off period for participants.

**Practices** - Practices are generally closed to members of the media. However, special admittance may be granted with prior knowledge of intentions. Contact the Sports Information Specialist with inquires.

**Game Day Coverage and Press Passes** - Any media member covering a game, match or other contest hosted by IU Southeast is asked to reserve a press credential at least 24 hours prior to the event. While last minute media are welcome, prior knowledge of your arrival is much appreciated. For most sports, the office of Sports Information will provide statistical information and/or box scores as soon after each home match as possible.

**Press Conferences** - In the event of a press conference, the primary media covering IU Southeast Athletics will be notified as far in advance as possible. To be added to the primary media list, contact the office of Sports Information.

**Game Programs, Game Notes and Media Information** – Pre-game information may be obtained from the office of Sports Information when available. If notes, programs, etc., are not available, the office of Sports Information will assist members of the working media in any way possible to ensure accurate reporting.

**Technology** - At most IU Southeast events, a general phone line, fax line, and photocopier will be made available to members of the working media. IU Southeast also provides free wireless internet connections for all working media members. Please contact Assistant Athletic Director Joe Glover for assistance with this feature. When those amenities are unavailable, the sports information office or appropriate other office will be made available before, during and after events.

**Radio** - Any visiting radio broadcasts must reserve their seating and phone lines at least two weeks in advance of the event to be covered. While late-comers are welcome, phone lines and seating can not be guaranteed. For basketball, and volleyball, one analog phone line will be reserved for visiting radio, whether previous arrangements have been made or not.

**Photographers** - Photographers are asked to stay in the respective end zones for basketball. For all other sports, standard shooting spots may be utilized. Similar policies apply for credentials and seating reservations.
