Head Coach: Robin Farris

A 1979 graduate of Tiffin University, Farris was the most valuable player (MVP), leading scorer, and captain of a team that captured the Mid-Ohio Conference basketball crown his senior season in college. He ranked eighth in scoring for the NAIA with an average of 26.8 points per game. After graduation he was awarded the title of assistant basketball coach and head baseball coach at his alma mater.

In 1979 Farris embarked on a nine-year stint on the European basketball circuit; seven years as a player, and two as a coach. He played professionally for six years in England and one year in Scotland. Farris coached men's and women's Division I teams in Norway from 1986-88, and his 1988 women's team captured the national junior title. Farris was recognized for all of his great work in 1995 when he was inducted into the Tiffin University Hall of Fame.

Coach Farris enters his 20th season as a coach for IU Southeast and has led the Grenadiers to seven KIAC championships, three regional championships, and four trips to the NAIA National Tournament during his tenure. His 2001-02 squad advanced to the NAIA Sweet Sixteen, a goal for the top programs in the country. He has also been named KIAC Coach of the Year eight times while compiling a 313-252 record at the IU Southeast in 19 seasons, and an overall record of 363-282. Coach Farris also served 16 seasons as head coach of the IU Southeast Volleyball program compiling a record of 328-193. IU Southeast volleyball took four trips to the NAIA National Tournament under his helm.

Contact Coach Farris at (812)941-2438 or via E-Mail at RaFarris@ius.edu

Assistant Coach: Bernie Merkel

Bernie Merkel is a 1982 graduate of Indiana University Southeast where he earned his Bachelor's Degree in Business Management and was a member of the men's basketball team, under the guidance of former IU Southeast coach Jim Morris from 1978 to 1982. During his career as a Grenadier, he twice won the Ron John's Mental Attitude Award.

Merkel has been an assistant coach for the women's basketball team since 1992. His other coaching experiences involve several years of coaching girls AAU basketball and various girls' basketball city leagues.

Merkel is employed by Parsons in Louisville, KY as a Medical Equipment Planner. He and his wife Lisa have two daughters, Shelli and Emily, along with three grandsons, Max, Jake, and Trevor.

Athletic Department Support Staff

Pat Mrozowski - Athletic Director

Pat Mrozowski begins his sixth season as the Athletic Director at Indiana University Southeast. Pat is a native of Port Huron, Michigan and was a 1972 graduate of Michigan State University. Upon graduation, Mrozowski moved into the arena of athletics. He started coaching at the high school level, and quickly found that his skills enabled him to become an athletic director. He managed and successfully coached for ten years at various high schools in Michigan and Ohio.

Mrozowski made the transition to the college athletics level a few years later. He started as an assistant football and track coach.

In 1984, Mrozowski left athletics and began a long career in financial aid. In 1999, he assumed duties as the director of financial aid at Indiana University Southeast. Although he cherished the time he spent in financial aid, Mrozowski never lost his enthusiasm for intercollegiate athletics. So when the chance came to become athletic director at IU Southeast, he welcomed the opportunity.

Mrozowski currently resides in Louisville, KY and is married to Meg. He is also an active member of the National Association of Collegiate Directors of Athletics (NACDA).

Joe Glover – Assistant Athletic Director / Media Relations

Joe Glover is beginning his fourth year with the IU Southeast Athletic Department, previously serving as sports information specialist for Grenadier Athletics. Glover joined the athletic department in July of 2005, after working in the sports information department at the University of Louisville.

In his new role, Glover will be responsible for marketing, facility scheduling, and media relations. He will also aid Athletic Director Pat Mrozowski with the overall guidance of the athletic department while taking on additional administrative and personnel management responsibilities.

During his three years as sports information specialist, Glover's redesigns of the Grenadiers' athletic Web site have resulted in web traffic increases of more than 95 percent. He has also served as media coordinator and liaison for multiple Kentucky Intercollegiate Athletic Conference (KIAC) post-season tournaments, including the KIAC Men's and Women's Basketball Championship in 2005.

Now one of the youngest assistant athletic directors in collegiate athletics at age 22, Glover graduated with distinction from IU Southeast in May with a Bachelor of Science in Business. Glover's dedication to academics earned him the honor of being named *Outstanding Marketing Graduate*.

In 2006, Glover earned his Associate of Science in Business Administration from IU Southeast and graduated from New Albany Sr. High School with an Indiana Academic Honors Diploma in 2004. While at New Albany High School, Glover was the football and basketball play-by-play radio voice of the Bulldogs.

A native of New Albany, Glover is an aspiring athletic director with a strong background in athletic marketing and media relations. Glover currently resides in New Albany and is an active member of the College Sports Information Directors of America (CoSIDA) where he serves on the national committee for radio and television. He is also a member of the National Association of Collegiate Directors of Athletics (NACDA) and a conference representative for the National Association of Collegiate Marketing Administrators (NACMA).

Tiffany Hammond - Grenadier Women's Basketball Athletic Trainer

Tiffany Hammond is in her seventh year as athletic trainer for the Indiana University Southeast Athletic Department.

Hammond currently oversees and manages the athletic training needs for all seven intercollegiate varsity sports at IU Southeast.

Before joining the IU Southeast athletic department, Hammond worked as a graduate assistant for Spalding University and was a student trainer at the University of Louisville.

Hammond graduated from the University of Louisville with a bachelor's degree in exercise science / sports medicine and a master's degree in sports administration. She resides in Sellersburg with her husband, Terry, and son, Conner.

IU Southeast Women's Basketball Season Preview

The Grenadiers return twelve players and four starters from last season's team that finished second in the Kentucky Intercollegiate Athletic Conference (KIAC) with an overall record of 19-12 (6-3 KIAC). With a strong nucleus returning, the team once again could be a strong contender for the conference championship and a possible bid to the NAIA National Tournament.

Returning Players

Key players returning for the Grenadiers this season are 5'8" senior Andrea Chambers (13.3 PPG, 6.2 RPG), 6'0" junior Tiffiani Slaughter (13.1 PPG, 5.6 RPG), 5'8" senior Jenna Richie (5.7 PPG), 5' 1" sophomore Whitney Duncan (9.2 PPG, 2.6 SPG), 5'9" sophomore Tia Wineinger (4.2 PPG, 5.0 RPG) and 6'1" sophomore Alden Krausse (6.0 PPG, 3.0 RPG).

Other key players who saw considerable playing time last season are 5'7" sophomore Lauren Brim, 5'10" junior Alisha Briner, 6'1" junior Vanessa Stauble, 5'10" junior Randi Carrol and 5'5" sophomore Morgan Hunsaker.

Farris, who will be embarking on his 20th season as head women's basketball coach at IU Southeast believes this team will be very competitive. "We will have more depth and experience this year which will make our practices much more competitive and will hopefully carry over and help us against our opponents," he said.

Fresh Faces

Coach Robin Farris and 17 year Grenadier Assistant Coach Bernie Merkel both feel that they are bringing in another exciting recruiting class this season. IU Southeast welcomes five new faces who will be suiting up this season for the Grenadiers.

Newcomers include 5'4" guard Lindsey Rumph (Brownstown High School), 5'8" guard TeAira Epps (DuPont Manual High School), 5'8" guard/forward Emily Conklin (Presentation High School), 5'10" forward Megan Murphy (Bloomington South High School), and 5'9" guard Emily Batliner (Floyd Central High School). Batliner was a redshirt freshman last year due to injury and will formally join the team in competition this year.

Farris feels very good about this incoming class. "They will improve our team's overall speed, scoring, and rebounding. They are all a good fit for our program and I look forward to watching them grow as student-athletes" said Farris.

Keys to Success

Farris would like to see this team be more aggressive on the boards and also improve their field goal and free throw shooting. "We will try to develop more scorers on this team since we only had two players average in the double figures last season. We will try to spend more time on shooting in practice and try to get the players to understand that great shooters put in extra time on their own," he said.

The Indiana University Southeast office of Sports Information provides complete information and media services regarding the institution's seven intercollegiate sports. The office is responsible for all public and media relations pertaining to athletics, athletic department publications, the athletic department's website, statistical and historical record keeping for all sports and other promotional activities surrounding the athletic department.

A complete description of the services provided by the IU Southeast office of Sports Information follows:

Media Services and Policies

Interviews - All interviews with IU Southeast coaches, student athletes and staff members must be arranged through the office of Sports Information. After games, matches and other athletic events, locker rooms are generally off limits to members of the media. Player and coach interviews, however, may be conducted outside locker room entrances or on the playing surface after a minimal, 10-minute cooling off period for participants.

Practices - Practices are generally closed to members of the media. However, special admittance may be granted with prior knowledge of intentions. Contact the Sports Information Specialist with inquires.

Game Day Coverage and Press Passes - Any media member covering a game, match or other contest hosted by IU Southeast is asked to reserve a press credential at least 24 hours prior to the event. While last minute media are welcome, prior knowledge of your arrival is much appreciated. For most sports, the office of Sports Information will provide statistical information and/or box scores as soon after each home match as possible.

Press Conferences - In the event of a press conference, the primary media covering IU Southeast Athletics will be notified as far in advance as possible. To be added to the primary media list, contact the office of Sports Information.

Game Programs, Game Notes and Media Information – Pre-game information may be obtained from the office of Sports Information when available. If notes, programs, etc., are not available, the office of Sports Information will assist members of the working media in any way possible to ensure accurate reporting.

Technology - At most IU Southeast events, a general phone line, fax line, and photocopier will be made available to members of the working media. IU Southeast also provides free wireless internet connections for all working media members. Please contact Assistant Athletic Director Joe Glover for assistance with this feature. When those amenities are unavailable, the sports information office or appropriate other office will be made available before, during and after events.

Radio - Any visiting radio broadcasts must reserve their seating and phone lines at least two weeks in advance of the event to be covered. While late-comers are welcome, phone lines and seating can not be guaranteed. For basketball, and volleyball, one analog phone line will be reserved for visiting radio, whether previous arrangements have been made or not.

Photographers - Photographers are asked to stay in the respective end zones for basketball. For all other sports, standard shooting spots may be utilized. Similar policies apply for credentials and seating reservations.
